The BNC connector is the most popular coaxial connector series in the world, featuring a two-pin bayonet coupling system for quick and reliable engagement and disengagement.

• WIDE RANGE

BNC connectors are available with two characteristic impedances: 50Ω and 75Ω. They are completely intermateable. We also offers low-cost BNC range, and a triaxial BNC TRX series.

• CONVENIENT THREE PIECE DESIGN

Straight and right angle crimp type cable connectors feature a three piece design: single piece body + center contact + outer ferrule.
